Several stray dogs were killed here during the past week. As a general rule this is a good thing, and there are others that should either be killed or kept at home. The writer likes a good dog, but the place for that kind of dog is at home.

Mr. and Mrs. S. Franklin and Grover C. Galtner spent Sunday in Memphis. Boyd Burnett spent the Sabbath with local friends.

Power Sausage Grinder Installed

We have just installed in our butcher shop in this city a power sausage grinder for grinding the sausage and other ground meats for the trade. With this we propose to have constantly on hand a line of pure home made pork sausage and will do grinding for the public at one cent per pound, cheaper than you can grind it at home. Grinder operated by a gasoline engine and grinds rapidly and well.

Little Martha Belle Maxwell.

After suffering for a week with scarlet fever at the home of her grand parents, Mr. and Mrs. J. N. Maxwell, of this city, Little Martha Belle Maxwell, three-year old daughter of Mr. and Mrs. John G. Maxwell of Memphis passed peacefully from this to a better world on high last Saturday morning at an early hour, in spite of skilled medical attention and the careful nursing of devoted grandparents, father and trained nurses.

Stricken about one week before her death, she grew steadily worse and the father who was attending the bedside of the child's mother who had just undergone a very serious operation at a Memphis hospital, was summoned here about the middle of the week. But the care and the nursing and the love given could not stay the disease and the little life passed out and the sweet child spirit went to meet its Maker, there to dwell with God and His Angels. Burial was in the Somerville cemetery Saturday afternoon.

Invigorating to the Pale and Sickly

There are several places in and around Moscow that lack much in being in a proper sanitary state. We trust this matter will have the prompt attention of the local officials.

A ton of water from the Atlantic Ocean yields 81 pounds of salt. A ton of water from the Dead Sea, 187 pounds.

Mr. and Mrs. R. M. Bevis are expected home soon from a stay of several days with relatives in Waterloo, Ala.

Mrs. George Hollida of Arkansas has been the guest of relatives in and around Moscow.

Mr. Mitchell of Somerville was a Tuesday caller.

Three things a dying man should know. He ought to know that he is at peace with God. He ought to have the satisfaction of knowing that he has accomplished something for humanity. He ought to know that his loved ones are provided for to the best of his ability.

Robert Johnson spent the day Wednesday in Hudsonville.

Several of the boys who have been attending school at Slaydens from this place are home on a ten day furlough.

In closing we wish to mention just two important things to our people which are, the Fayette County Fair, and Hubert Fisher for Congress.

County Fair Directors Met.

As was the agreement when the citizens interested in holding a county fair in Somerville this fall were in session last week, the directors of the fair met at the court house last Wednesday afternoon and discussed further the plans for holding said fair. There was a well attended meeting and more than ordinary interest was shown in the plans which are just now in the making. Mrs. F. C. Pope and Miss Elise Catron were present to represent the Home-makers club, they were in hearty accord with the directors for entering into plans for a better fair than the one of last year. The directors invited the club to appoint a committee from their own number to arrange premium list and to work with other committees in raising funds for premiums and were assured by the representatives of the club that this would be done.

F. P. Kyle was elected president of the board of directors, Capt. E. A. Maddox, treasurer and W. T. Loggins secretary.

The following soliciting committee was appointed to solicit funds for premiums: C. C. Williams, W. S. Latta, J. N. Maxwell, J. P. Berry, Dr. Brinkley, J. A. Johnston, L. F. Catron, J. H. Garnett, J. A. McNabb, E. C. Boswell, J. A. D. Moore, Dr. J. C. Wright, C. C. Russell, J. A. Weber, W. T. Cartwright, W. N. McFadden, W. K. Wadlington, J. M. Seward, C. B. Piper, E. F. Pearson, T. D. Boswell, J. J. Pulliam, J. J. Steger, W. B. Franklin, L. E. Anderson, A. W. Reeves, J. B. Burnett, Dr. J. E. Parks.

Premium Committee to arrange awards—W. N. McFadden, W. S. Latta, J. H. Flippin and J. W. Moffatt.

Another meeting was called for Saturday morning, March 25, 10 o'clock, at which time every member of the committees named above is urged to meet with the directors to arrange further

Answer this appeal today and let us close the fund up and be thru with it. There is not a doubt in the minds of any of us that the fund will soon be completed, but won't you do your part to ward it NOW and not keep us publishing this list indefinitely? This fifty dollars should be raised before another issue of the paper. Let us hear from you TODAY.

Feed Out Your Hogs Six Weeks Earlier.

In every lot of hogs on feed two or three weeks quickly and actually eat less than others. If all would fatten like these, the entire drove would be ready for the market six weeks earlier and to save six weeks feed is an item that you fully understand.

The hog that fattens easily must be in prime physical condition. The B. A. Thomas Hog Powder is a conditioner for hogs. It keeps their system clean and healthy and enables them to fatten quickly without falling a prey to the usual diseases of hogs. The B. A. Thomas Hog Powder is not stock food. It's straight medicine, and we took the agency because it enables you to feed out your hogs much earlier. W. S. Shinsault.

Are YOU Going to Make an Attempt to Win the \$50.00?

If you are you will have to plant better seed.

We have a seed which made a Bale to the Acre last year on land four miles from Somerville, and brought as high as 18 1-2 cents per pound on the Somerville market. We now have had this seed run through a culling machine, and offer you a seed both hand selected and culled by the most modern culling machinery.

Does not that look good to you? Don't accept a substitute for this seed which somebody tells you is just as good and which he can sell you cheaper. There is only one best and that is always the cheapest.

Buy your seed now and smile next fall, for whether you get the prize or not you will make money by the effort.
